

Lesson 62 Matthew 28.9-10 cf v9 **Jesus teaching on reaching**

Introduction

And as they went to tell the disciples behold Jesus met them, saying, "be delighted". When Jesus met them He was going the other way. (Greek *απανταω*)

They held his feet

"They held on to His feet and worshipped Him. And coming to Him they held on to Him" It is especially interesting that the LORD referred the ladies to His forthcoming gathering of the 500 plus believers in Galilee. Whilst the meetings with the apostles behind closed doors were vital to their conviction the great gathering in Galilee linked with the LORD'S past teaching and with the development of His kingdom through the many ordinary believers who were touched by His ministry.

The Galilee Rendezvous

"Do not fear, go up together (as witnesses) and announce the victorious news

From paper to practice.

1 Jesus turned Peter around when he was reputedly leaving Rome in days of persecution. Could you be going the opposite way to that he designed? Could it rather be that like the Gerasene demoniac after his conversion the LORD wants you to live and minister where there is little or no witness

2 All doubt needs to be dealt with. Thomas in the upper room and some in Galilee doubted. Jesus deals with doubt by coming **N _ R _ R** (fill in the blank spaces)
