INTRODUCTION

This monograph is No.18 in the present series. It looks across the spectrum of what is understood within the bible and extra mural to scripture on the subject of salvation.

Are there multiple doors to heaven?

Is salvation a given for some and impossible for others? Do people who are saved get lost?

Is it a question of rules or morals?

Can you know for sure?

Where does Jesus come in to it?

These and many more questions are answered in this little monograph. You will be able to compare what the popular sects teach and the great world religions. I don't say "Take your pick!" I say choose Jesus.

Why do you say that?

I say that because He alone rose from the dead.

I say that because He gives the Holy Spirit to give new eternal life and certainty with it.

I say that because the whole weight of biblical prophecy confirms beyond the shadow of a doubt that Jesus is Messiah and the Son of the Living God-the only sinless one-the only judge of men-the only mediator between God and men.

I know no other argument I have no other plea It is enough that Jesus died and that He died for me. Take the salvation test on page X

THE BIRTH OF JESUS CHRIST

We get our information about Jesus' birth from Matthew and Luke. Matthew who is wholly fascinated by Jesus' entire life just as he was when he instantly left his tax booth to follow the Master writes "Behold wise men from the east came to Jerusalem asking "Where is He that is born king of the Jews?". From that first vision to the 56th "Behold" when he records some of Jesus' last words "Behold I am with you all the days until the final count of the age" Matthew has 66 lessons for disciples drawn from the life and teaching of Jesus.

Matthew – ever the business man tells us that the astrologers were willing to order their lives and literally "Do business with God" [CHREMATIZO] by what the stars in the constellation of Leo said and further order them in the light of the dream God gave them that night after they saw Jesus. He tells us that God the Father was watching over His beloved Son in infancy with the love and care that even then moved Jesus to centre stage whilst engaging with the designs of Satan and wicked men. Matthew tells us of all the sweetness of Jesus birth "Behold the virgin shall keep in the womb and bear a Son and they (the prophets & Joseph & Mary) called his name *Emmanuel*" but "when she brought forth her son the firstborn" by directive of God and His angel Joseph officially named Him Jesus. The aftermath of the birth of Christ was a vengeful murder of innocents by Herod who was jealous of God's Messiah. Jesus by directive of His ever vigilant Father was carried by Joseph and Mary to Egypt. Joseph like the wise men learned "to do business with God" and that's why by divine direction the family came to Galilee where Jesus world famous ministry began. Luke tells us more about the birth of Jesus. He writes goodnews for the nations setting out how 72 dynamic events demonstrate tht behind the advent of the man Christ Jesus was God in action. Twelve of these realte to Jesus' birth.
